

APPLICATION PREP & SUBMISSION

IDENTIFYING IDEAL FUNDING STREAMS BY PROGRAM PHASE

Different programs need different types of grants. This session helps you match your goals to the right funding at the right time.

**Virtual or
On Site**

what you'll learn

- How to break programs into clear phases
- What types of funding fit each phase (startup, scale, sustain)
- How to avoid applying for grants that don't match your needs
- Tips for blending public and private funding
- How to build a funding map across multiple years
- Tools to align funding timelines with your program goals

who should attend

- ✓ Program Directors
- ✓ Development Leads
- ✓ Grant Strategists
- ✓ Executive Teams
- ✓ Planning & Eval Staff
